From Marrakech Airport follow the signs for "Centre Ville". As soon as you see the sign for Fes, follow this until you see the shopping centre and the "Atkadao Market" filling station on the right. At the next roundabout take the third exit on the left in the direction of Bab Atlas. Then drive through the next roundabout and continue on straight until you see the Club Maramara on the right. After Club Maramara continue on straight for approx. 1.5 km and then take a right. Follow this street for approx. 500 m (road is in a poor state in parts) until you see the Hapimag resort on the right.
