

## **Information on your destination Hapimag Porto Heli**

### **Getting there**

#### **Car**

From Eleftherios Venizelos Airport (around 215 km or 3 hours):

Take the motorway towards Athens (Athina) and continue towards Elefsina/Corinth. From Elefsina (toll point) continue to Corinth. About 105 km further on is Corinth Canal (Isthmus).

Important: Immediately after crossing the bridge over the canal, exit the motorway (Exit 10) and travel towards Epidavros. From Corinth Canal follow the Hapimag signs. At Archea Epidavros turn right and then immediately left under the bridge (then go straight on and not slightly to the left). Drive to Porto Heli via Koliaki, Trachia, Didima, Fourni and Kranidi. The Hapimag resort is located around 7 km outside Porto Heli.

From Patras (around 225 km):

Travel along the promenade (transit route) towards Corinth/Athens. Then proceed as described above in the section on arriving from the airport.

#### **Public transport**

Arriving by public transport is slightly difficult. It may take a long time to get there and the change between transportation is complicated. Upon request we will be pleased to describe the route individually. Instead of travelling by public transport, however, we recommend requesting a transfer through our website. Like this, you can travel easily, fastly and comfortably.

#### **Arrival outside reception opening hours**

If you arrive outside the opening hours of the reception, we have staff for you on site.
